

WORKPLACE HEALTH REGISTRATION

WHAT IS WORKPLACE HEALTH PROMOTION?

Workplace Health Promotion is the combined efforts of employers, employees and society to improve the health and wellbeing of people at work by:

- Improving the way work is organised
- Improving the working environments
- Encouraging employees to get involved in healthy activities
- Encouraging personal development.

WHY THE WORKPLACE?

- We spend 60% of our life at work and we need to be healthy at work
 - Workplace health promotion has a high return on investment
 - The cost of absenteeism falls by £1.79 for every 66p spent on workforce wellness
 - *(Baicker et al)*
-
- **Do you have a health and wellbeing strategy in place?**
 - **Do you have a workplace health group established?**
 - **Would you be interested in receiving support to carry out a new online staff wellbeing survey?**
 - **Would you be interested in receiving support to design and develop a 3 year health action plan for staff?**
 - **Would you be interested in having a member/s of staff attend a half day 'Workplace Health Champion' training?**

“Our organisation is committed to working towards improving health and wellbeing for my organisation and would like to receive support and / or information on health and wellbeing at work.

I am happy to have my details on Health@Work NI database to receive further information in relation to workplace health and wellbeing. This information will not be shared with third parties”
